Superintendent Joe St. Lawrence returns for his third season and is excited to get things rolling. This year some of his focus will be on improving tee boxes and upkeep of some of the best greens in the state. Joe and his veteran crew of Rick, Bob and Mark will be hard at work maintaining our beautiful little gem. Please respect these hard workers

when they are on the course. If they are mowing in front of you please wait until they see you before teeing off for their safety as they will be more than happy to move out of your way or wave you through. Hitting into them while they are on a machine is very dangerous. Also, please respect the cart rules and stay out of areas marked with signs or ropes to help keep the course in pristine condition.

Our Pro Shop is stocked and fourth-year Pro Shop Manager Connie Philbrick and her staff are at your service. Connie is lucky to have a great staff joining her as we welcome back Cammi, Michelle and Brady. The Pro Shop features some great new merchandise and we will continue to add more as stock becomes available. You can find great offerings from Titleist, Srixon, Cleveland, Bridgestone, Antigua, Mizuno, Datrek, Bagboy and Footjoy already in stock. This season we are also welcoming Callaway to our lineup. We have some exciting new products coming into the shop so keep an eye out. Feel free to stop in for a drink, say hi, and check out the great lineup of merchandise we will have throughout the season.

### **MEMBERSHIP FLOURISHES**

For the second-straight season, we saw a significant spike in memberships during 2021. With 249 members, FCC actually had its highest membership tally since 2014 and 20 more than 2020. An influx of new members to the recently introduced young professional (23-29 year olds) and young adult (18-22 year olds) categories show signs of a bright future as we aim to grow a young base with an eye toward the future.

### **BE ON THE LOOKOUT FOR THE FARMINGTON 500 GOLF PROGRAM**

FCC President and Farmington High School varsity golf head coach Kevin Mosher also runs the youth golf program for the Farmington 500 right here at Farmington Country Club. In recent years, the summer program has featured as many as 125 kids. FCC members and shareholders assist in running the program that is one of the best values imaginable. Follow the Farmington 500 on facebook for more info.

### **BATTLE OF THE BARS RETURNS JUNE 6TH**

Find a local bar to sponsor your foursome and come compete for bragging rights at our annual Battle of Bars tournament.
